We are committed to safeguarding the privacy of our website visitors; this policy sets out how we will treat your personal information.

### **(1) What information do we collect?**

We may collect, store and use the following kinds of personal data:

- (a) information about your computer and about your visits to and use of this website (including your IP address, geographical location, browser type, referral source, length of visit and number of page views)
- (b) information relating to any transactions carried out between you and us on or in relation to Evolve Surf School, including information relating to any purchases you make of our goods or services.
- (c) information that you provide to us for the purpose of registering with us (including adding your business details to the website)

- (e) any other information that you choose to send to us.

### **(2) Cookies**

A cookie consists of information sent by a web server to a web browser, and stored by the browser. The information is then sent back to the server each time the browser requests a page from the server. This enables the web server to identify and track the web browser.

We may use both “session” cookies and “persistent” cookies on the website. We will use the session cookies to keep track of you whilst you navigate the website. We will use the persistent cookies to enable our website to recognise you when you visit.

Session cookies will be deleted from your computer when you close your browser. Persistent cookies will remain stored on your computer until deleted, or until they reach a specified expiry date.

### **Google Analytics**

We use Google Analytics to analyse the use of this website. Google Analytics generates statistical and other information about website use by means of cookies, which are stored on users’ computers. The information generated relating to our website is used to create reports about the use of the website.

Google will store this information. Google's privacy policy is available at:<http://www.google.com/privacypolicy.html>

### **Facebook Pixel**

We use Facebook Pixel on our website. Facebook Pixel is a tracking code which allows us to track and monitor the success of advertisements we use on Facebook and to improve the effectiveness of those advertisements by recording information such as the device you used to access our website and the actions you took on our website using cookies. We may also use Facebook Pixel to create retargeting advertisements and custom audiences for our advertisements on Facebook and on our website.

Facebook aggregates data gathered from our use of Facebook Pixel on our website with data it gathers from other sources, in order to improve and target advertisements displayed on its website or via its services, to improve its systems and to provide measurement services to third parties which use Facebook's advertising services. You can find out more about how Facebook handles information they collect about you and other individuals by accessing their privacy policy, which is available here: <https://www.facebook.com/about/privacy>.

Our advertisers/payment services providers may also send you cookies. Most browsers allow you to reject all cookies, whilst some browsers allow you to reject just third party cookies. For example, in Internet Explorer you can refuse all cookies by clicking "Tools", "Internet Options", "Privacy", and selecting "Block all cookies" using the sliding selector. Blocking all cookies will, however, have a negative impact upon the usability of many websites.
